## Fogger Timer With One Outlet

Fogger Timer With one Outlet

- **Product Name:** Fogger Timer With one Outlet
- **Product Code:** 3110102

### Configuration & Advantages

- Size: 3/4"
- Application pressure: 1-6 bar
- Compatible with urban water network pressure
- Suitable for fogger kits
- Suitable for gardens, villas, roof gardens, etc.
- Compatible with Household valves, water storage and pumps
- Use a 9 volts battery as energy source

## Technical specifications table

Product Name	Product Code	Pressure Range	Size
Fogger Timer With one Outlet	3110102	1-6bar	3/4"

## Packaging specifications table

Product Name	Product Code	Bag Qty (Pc)	Carton Qty (Pc)	Carton dimensions (cm)	Carton weight (kg)
Fogger Timer With one Outlet	3110102	1	30	34*29*55	14/400

## One Outlet Automatic Timer

One Outlet Automatic Timer

■ **Product Name:** One Outlet Automatic Timer

■ **Product Code:** 3110101

### Configuration & Advantages

- Size: 3/4"
- Application pressure: 1-6 bar
- 8 Daily program for irrigation
- Suitable for gardens, villas, roof gardens, etc.
- Compatible with Household valves, water storage and pumps
- Use a 9 volts battery as energy source
- Water save
- Decrease irrigation cost
- Child lock

## Technical specifications table

Product Name	Product Code	Pressure Range	Size
One Outlet Automatic Timer	3110101	1-6bar	3/4"

## Packaging specifications table

Product Name	Product Code	Bag Qty (Pc)	Carton Qty (Pc)	Carton dimensions (cm)	Carton weight (kg)
One Outlet Automatic Timer	3110101	1	30	34*29*55	-

## One Outlet Mechanical Timer

One Outlet Mechanical Timer

- **Product Name:** One Outlet Mechanical Timer
- **Product Code:** 3110103

### Configuration & Advantages

- Size: 3/4"
- Application pressure: 1-6 bar
- Adjustable irrigation time 120-1 minutes
- No battery needed
- Water save
- Decrease irrigation cost
- suitable for gardens, villas, roof gardens, etc
- compatible with Household valves, water storage and pumps

## Technical specifications table

Product Name	Product Code	Pressure Range	Size
One Outlet Mechanical Timer	3110103	1-6bar	3/4"

## Packaging specifications table

Product Name	Product Code	Bag Qty (Pc)	Carton Qty (Pc)	Carton dimensions (cm)	Carton weight (kg)
One Outlet Mechanical Timer	3110103	1	20	34*29*55	-

## 9 Station Controller

- Product Name: 9 Station Controller
- Product Code: 3110201

### Configuration & Advantages

- Use to control 9 solenoid valves
- Support Hunter sensors

9 Station Controller

## Packaging specifications table

Product Name	Product Code	Bag Qty (Pc)	Carton Qty (Pc)	Carton dimensions (cm)	Carton weight (kg)
9 Station Controller	3110201	1	8	34*29*55	-

## Rain Sensor

Rain Sensor

■ Product Name: Rain Sensor

■ Product Code: 3110301

### Configuration & Advantages

- adjustable rain value
- shut down system with start of rain
- suitable for landscape
- compatible with Hunter controllers

## Packaging specifications table

Product Name	Product Code	Bag Qty (Pc)	Carton Qty (Pc)	Carton dimensions (cm)	Carton weight (kg)
Rain Sensor	3110301	1	60	34*29*55	-
